STONEHAM HIGH SCHOOL

1986

TOWN DAY

The town of Stoneham celebrated its newly established tradition of town day. Even though the weather conditions were poor, the students refused to let it rain on their parade. The senior class participated actively with booths for the senior class officers and student council. The students supported their town by including Stoneham's unique landmarks in their floats. Stoneham High students' enthusiasm brightened the celebration on this cloudy day.

LOCAL HANG OUTS

Every town has its own special locations where students go to just "hang-out." "The steps" have long been a favorite Senior hang-out. Students can always be found there on weekend nights and when the weather is bad they move indoors to "the house." During the summer months a large group always gathers under the marquee at Redstone. Often, students can be found exercising and stretching out after a long week of school at Bear Hill Golf Course.

BACK TO THE FUTURE

Just as '86 is a reflection of '68, so is this yearbook a reflection of our past years at this school. This reflection of years, however, goes back, for many, to their very beginnings. Just as society has made transitions through the past eightteen years, so has our class, as growing, maturing individuals, gone through many transitions. We may look back, as society does, at our reflections of the past and of the present, but it is also time to look foward into our lives. There were many good times during these years and we will reminisce from time to time, but we must remember our destination and continually come back to the future, for we, the class of 1986, are the future.

THAT'S ENTERTAINMENT

The 1986 Carnival Ball was a spectacular presentation of the various performing arts. Song, dance and drama characterized the night's festivities as Stoneham High's array of talented youth entertained and enthralled the sold-out auditorium. Memories of Holleywood greats were revived through the abundance of energies among SHS's individual and group performances. This year's Carnival Ball adhered to Stoneham's tradition of elegant pageantry while providing a unique addition to the senior class's treasure chest of memories.

Below from left to right: Reigning over the festivities were Mark Drew, King of Carnival Ball and Lisa Powers, Queen of Carnival Ball. Seated is the royal couple with their attendents: (front row) Rhonda Greenhill, Dawn Chiofilo, Mary Frongillo, Lori Sylvestro, Kristen White, (back row) Shannon Cahill, Ann Fionda, Julia Mahoney, Christine DiCarlo and Suzanne Bears. The ushers to the royal court were: (middle row) Mark Percy, David Corso, John Savino, Frank Vigorito, Scott Baron, Charles Wing, Christopher Umana, Mark Ferraro, David Marasca and Robert Bruno.

1986 CARNIVAL BALL

Luis Millan and Betsy Granese lulled the crowd with "Africaine." (right)

Kelly Cronin, accompanied by her male escorts, strutted on stage singing "Material Girl." (below)

Judy Bain and Pam Fowley (far right) sang a beautiful rendition of "The Rainbow Connection."

Kris Alexander (right) stalked the stage with "Rum Tum Tuggar."

(Clockwise from top left): The band, Revolver, had people dancing in the aisles when they performed "Twist and Shout" from the Beatles era. Diane Doyle and Tom Berry perform "Separate Lives." The Drama Club showed us the satirical side of entertainment with "Hollywood Heaven." Kristen Larson, Denise Argiro and Laura McQueen, accompanied by John Dean, had everyone swinging to "Boogie-Woogie Bugle Boy."

(Clockwise from top left): Master of Cerimonies-Paul Christie. Kathy Doyle personified the 1920's with her interpretation of "Sadie, Sadie." Kevin Gallagher and Betty Capozzi moved the audience with "Forever," written by former student David Powers. Chippendales?!? Master of Ceremonies- Vaugn Misail.

The 1985 Stoneham football season was marked with frustration. This team, unlike the teams of previous years, was rich with talent. Although the team did not win many games, both the coaching staff and the players felt that they could have achieved a six and four record if it were not for three unlucky losses against Wakefield, Watertown, and Melrose. This team gained the respect of the entire Middlesex League and displayed a potential to be a primary contender in the 1986 season.

The 1985 Field Hockey Team was a group of hardworking individuals. The team had a desire to win not only on the field but off the field as well.

Stoneham realized early in the season that the Middlesex League was the nesting ground for some tough teams, Wakefield, Watertown, and the Division I State Finalists, Melrose to name several.

The highlight of the season was the win over Woburn. In the toughest game of the season, Stoneham proved worthy of such a win. The hard work, skill, and experience shined through, and Stoneham chaulked up a win.

The head "HOUSES", Katie Carr and Lisa powers provided firm leadership that the Stoneham team needed.

If it is true that suffering defeat builds character, than the 1985-86 Stoneham Varsity Soccer Squad will be a team to remember. Under the leadership of first year coach, Joe Guarino, The Spartans plowed through a disappointing season and compiled a record of 1-13-4. Highlights of the season were a win over Melrose and a close loss to league powerhouse Winchester. Half of next year's team will be made up of returning veterans and if the team has half the character of this year's squad, the season promises to be a winning one.

The 1985-86 Volleyball Team proved once again to be a successful and strong team. The team's consistent strength in both offense and defense earned them the Middlesex League Championship. The volleyball team went into the state tournament and gave a good fight, but lost to arch rivals Chelmsford. Many seniors were part of this powerful team, including: H. Anderson, S. Bears, Capt. N. Cargill, J. Colvario, S. Hassard, M. Henriksen, L. LaRosa, M. Scalisi, S. Smith, and L. Venezia. Coach Barton and the girls should be commended on their stunning and triumphant performance.

BOYS' CROSS COUNTRY

Left to right: N. Collins, R. Rotondi, D. Sorabella, Second row: Coach W. Fillback, M. Gudzevich, R. Pagliuca, J. Carroll, A. Martino, M. Sevier.

The Stoneham Boy's Cross-Country Team had a rather disappointing season this year, ending the season with a 1-8 record. There were, however, many near misses, and the team was young. (Co-captains Neal Collins and Rick Rotondi and hockey star David Sorabella were the only seniors.) The performance of Juniors Mark Sevier and Ron Pagliuca, and Freshmen Justin Meehan, Mike Gudzevitch, and Andy Martino, as well as the fine training of Coach Fillback, foreshadow many future victories.

CROSS COUNTRY
1st Row: K. Seabury, D. Fuglini, Capt. C. Ricupero, L. Anderson, 2nd Row: Coach W. Fillback, K. Scally, J. Powers, S. Ward, K. Trevor, J. Abbott

The 1985 Cross Country turned in their best season ever, with only one loss of Wakefield. The leadership of Cathy Ricupero, the team was destined for success. The top contenders in this years field, again, was Kristen Seabury and Danielle Fuglini. Kristen Seabury, once again finished #1 in the league and #2 in the state. The Northeast meet qualified Kristen for the National Meet in San Diego, which was to be held on December 13, 1985. We are certainly rooting for Kristen.

Many young runners started their first year as high school runners, we wish to see them in state competition next year.

GOLF

Left to right: Seabury, R. Piaseczynski, M. Swan, Seabury, S. Murphy, J. McGuiggan, E. Whalen, M. Cann, D. Abruzese, Seabury, Coach R. Young.

This year's golf team was only the second team in eight years to win a league championship. The team had a record of 7-1-1, with their only loss coming at the hands of a tough Woburn team. Coach Ron Young capped off his five years as coach with his first league championship, but he will not be returning next year, because of job opportunities in Florida. The whole team will be returning next year with high hopes of another Middlesex League Championship.

In driving snow and freezing temperatures the Cheerleaders of Stoneham High provided the spirit and pep needed to keep their team and the crowd going. We thank the cheerleaders for their support throughout' the entire season.

The 1985-86 Stoneham High hockey team was a very young team. The team had great potential but little experience and struggled through the competitive Middlesex League. The Spartans, who only used three seniors regularly, were mis-matched by some of the more mature teams in the league. Being a team of the future, the Spartans, could only watch as four other teams qualified for the tournament. The season did not, however, go without some stellar performances. Juniors Jeff Corkum and Joe Ciccariello along with Senior captain David Sorabella were named to the North All-Star team.

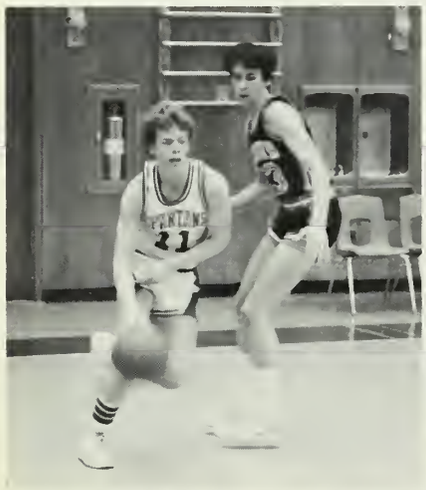
The Girls Basketball Team could be described as die hard. The basketball team of 1986 beat the best team in the league, Woburn, despite the effort, the girls finished with a 4-14 record. All. Star Lisa Powers provided firm leadership throughout the year, Combined efforts from the seniors, made the season memorable, a job well done!!

GIRLS BASKETBALL

1st row; Lisa Powers. 2nd row; Coach. M. Forbes, G. Hickey, L. LaRosa, H. Anderson, M. Heinriksen, L. Venezia, T. Carroll, R. Fabiano, A. Solomita.

The Stoneham High basketball season was marked with fustration. They achieved only three wins but played very close in all their games. The highlight of the season was an overtime win over Watertown with Senior Scott Baron scoring the winning points. Next season the team should be strong.



BASKETBALL

Left to Right. Front Row: Kevin Yianacopolus, Bob Chase, Scott Baron, Paul Christie, Al Guevara, Back Row: Eddie Whelan, Steve O'Niel, Joe Vitiello, Dan Doherty, Chris Benson, Mark Swann, Tom McNiel, Dave Pignone, Joe Micale, Coach Boyage.

The Stoneham High Winter Track Team did not quite mirror last spring's season of glory- the graduation of many of last year's greats somewhat slowed its momentum. But tri-captains Chris Umana, Neal Collins, and new-comer Mark Ferraro molded a team of mostly young and inexperienced athletes into a force that defeated or challenged much of the League- and one that promises to wreak some revenge this spring, as well.

WINTER TRACK

Left to Right; Front Row: Rob Silk, Scott Wallace, Mark Ferraro, Chris Umana, Neal Collins, Mike Kushakji, Lenny Gebhard, John French, Rick Rotondi, Second Row: Bob Longo, Ron Ciulla, John Clayton, Mark Sevier, Joe Gerardi, Brian Daly, Ron Pagliuca, Matt Taylor, Mark Percy, Chuck Rosseli. Back Row: Coach Bob Powers, Scott Fields, Andy Martino, Scott Welman, Hideo Mabuchi, Chris Yancey, Mike Gudzevich, Coach Gerard Mahoney.

The 1986 Girls Track Team surprised many people at the Lexington cage. Last year the young team earned a 0-8 record. The hard work and determination of the 1986 winter team gave the girls a more winning record, 5-2-1. The strong coaching of Mr. Rocher and Mr. Mahoney put the girls a step ahead if the crowd. D. Fuglini, K. Seabury, K. Keegan, C. Driscoll, and K. Merikanto were the runners in the 4X440 relay, their expertise earned them the #1 position in the league. The girls received All-Star recognition and the top honor, All-State status. The highlight of the season was Kristen Seabury's win at the State Championship, she turned in the best time ever in the mile. D. Fuglini placed second. Congratulations to the 1986 Track Team.

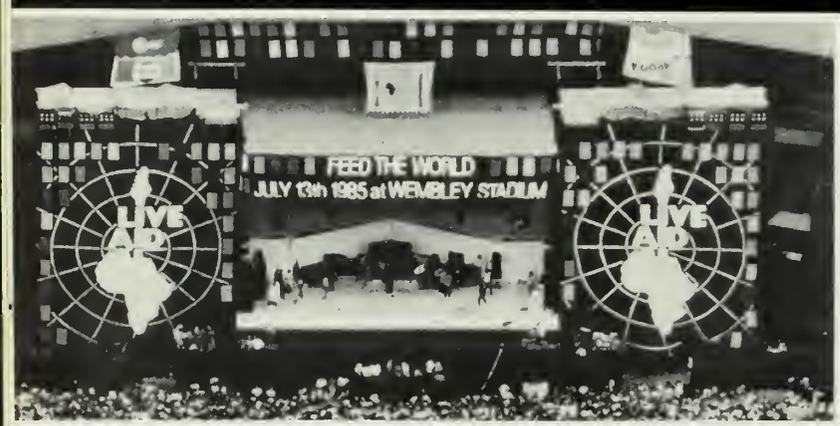
Faceless Terror

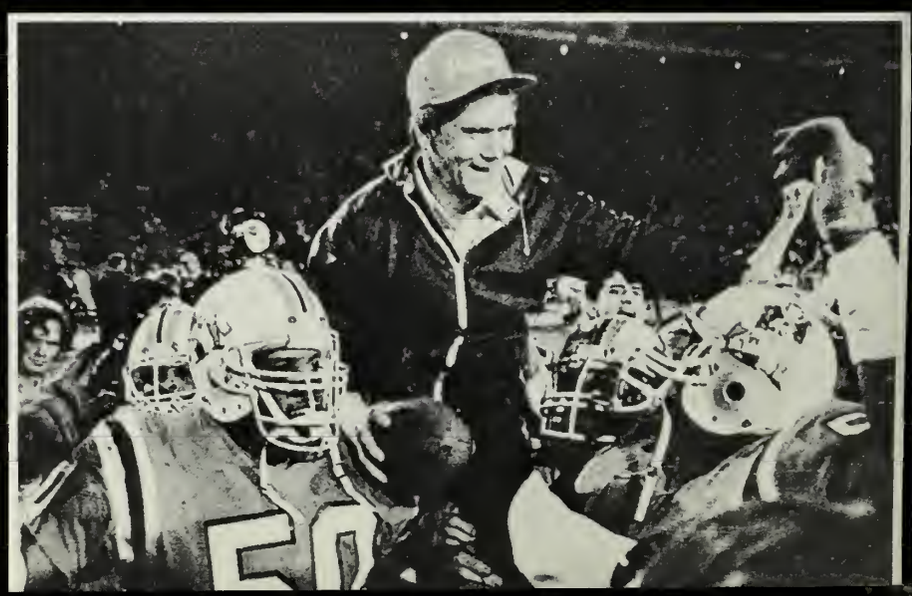
YEAR IN

The year 1985-86 was like other years in that it wasn't like other years. The explosion of the space shuttle, Challenger, carrying the first teacher in space, shocked the nation and the world. Samantha Smith, the young American peacemaker, also lost her life in a tragic plane crash. Americans mourned the death of their heroines who embodied so much hope for the future of our nation.

The nations of the world were plagued by terrorist attacks. An American was killed on board the hijacked ship The Achille Laurel. After Momar Kadafi threatened to launch terrorist attacks in the United States, the U.S. retaliated with a trade embargo.

Through all this despair there was a glimmer of hope, especially for the starving in Ethiopia. Musican Bob Guildof organized the concert festival, Live Aid to raise money for famine felief. U.S.A. for Africa released the hit single "Feed the World" donating all their money to the Ethiopian cause. Musicians also came together to help the Mid-west farmers in the Farm Aid concert.





REVIEW

Bruce Springsteen "sang" praises to the American people in his top 40 album "Born in the U.S.A.". New England celebrated the accomplishments of the New England Patriots, who made it to the Super bowl for the first time. Hollywood celebrated the unions of Christy Brinkley and Billy Joel, and Madonna and Sean Penn.

Americans have always enjoyed many "fads". The latest craze in timepieces was the colorful "Swatch". This year Reebok sneakers tred all over the old favorite Nike. Coke tickled the taste-buds of Americans with Cherry Coke and New Coke. Classic Coke, however, was brought back by popular demand. "Miami Vice" started a new trend with its popular music and the colorful characters of Tubbs and Crockett.

The trials and tribulations of 1985 are over now. We can look back on the events of the year with tears of sorrow and of joy never letting them blurr our visions as we look to tomorrow. Congratulations Class of 86, Good Luck and God Bless

Seems like overnight we see the world in a different light. Somehow our innocence is lost. But it's up to me and you to make our dreams come true. It's time to take our message everywhere. And if we can hold together, we can change the world forever.

We will remember the good times and bad times we had. Then in the future we may look back and think of all our memories we had done with our friends, and others. We may laugh at the craziest things we had done or had not yet done, and wished we had. But those were great to remember all our memories, and some still yet to come.

Janice Appleyard
"Each man's life represents a road toward himself, an attempt at such a road, the intimation of a path. No man has ever been entirely and completely himself. Yet each man strives to become that. Each of us strives toward his own destiny. We can understand one another; but each of us is able to interpret himself to himself alone.

Denise Argiro
